Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

After reviewing the facts of the case, the Examiner concluded that the Notice of Abandonment was in fact sent prematurely. The Examiner could not see any response from the Applicant in the Image File Wrapper. Once the issue was resolved, it was confirmed that the Applicant did indeed file a timely response, on July 7, 2006, to the Examiner's Office Action. Appropriate steps will be taken to resolve this issue, and an Office Action in response to the Applicant's Arguments and Amendments will be forthcoming..
